

Vermont Hunter Jumper Association

Request for Proposal

2024 Spring Riding Clinic

December 27, 2023

Presented by:

**Vermont Hunter Jumper Association
Board of Directors**

Overview

The Board of Directors of the Vermont Hunter Jumper Association (VHJA) is inviting riding facilities to apply to host the VHJA Spring Riding Clinic.

The VHJA Clinics are an incredibly important piece of the show season, and begin the season for many of our members and participants. As always, VHJA is requesting that the chosen partner(s) will make this event special for everyone!

Evaluation

RFP's will be evaluated for location, facilities, footing and flexibility. Please provide answers to the following questions on a separate form.

Facilities Requirements

Please submit as much detail as possible to the following questions.

What is the size of your indoor riding facility?

What type of footing?

Is there space for auditors?

Do you own your own jumps? If so, what is the condition of the jumps?

Will watering and dragging of the rings be available as needed?

Do you have ample parking for cars and trailers in spring conditions?

Do you have/will you provide a clear speaker system for all announcements?

Is there space for a VHJA Concessions & Check-In table?

Do you have additional comments or skills you would like to share that would help us identify the best experience for VHJA Members?

The Board of Directors at the VHJA would like to thank you for your time and participation.
