Board of Directors**

Overview

The Board of Directors of the Vermont Hunter Jumper Association (VHJA) is inviting horse show managers to submit competitive bids for the VHJA Hunter, Jumper and Equitation Finals.

The VHJA Finals are an incredibly important piece of the show season, and finalize the season for many of our members and participants. As always, VHJA is requesting that the chosen partner(s) will make this event special for everyone!

What is your incentive? VHJA hopes to increase the number of participants at your show by you hosting all or part of the VHJA 2024 Finals. This process encourages competition and provides prospects with fair and honest dealings with the VHJA. The RFP process also allows prospects to review multiple options within VHJA's preset parameters.

VHJA Goal

The VHJA is looking to outsource the VHJA Hunter, Jumper and Equitation Finals. These finals may be together or held separately; suggested options will be outlined on pages 7, 8 of this document.

If you are receiving this document, you have been selected as a potential outsource, or have previously shown interest in some or all of the VHJA Finals.
